

Wolverine Football Club

Dear Friend,

We have begun the planning process for our **2020 Wolverine Football Season** at Aliso Niguel High School. Last year, for the 3rd year in a row, our Wolverines made a CIF Southern Section playoffs appearance. With over 150 players, we have momentum as a program building success in our student players both on the field and off. Like all school sports programs, we rely on the support of player families, our community, and local businesses to make each season possible.

This year, we invite you to share in a **mutually beneficial relationship**, filled with many **cost-effective marketing opportunities**, while you support your local ANHS Wolverines and our football program.
