

Jon Chubb

Freshman- Running Backs/Linebackers

Coach Chubb played both running back and linebacker at Laguna Hills High School, where he was a three-year Varsity starter. He then attended San Diego State University where he majored in Business/Marketing and played rugby. He has been involved with the Wolverine Football program since 1996, and a member of the frosh coaching staff since 2003. Coach Chubb's goal for this year's frosh team is for the young men to transform from a group of individuals to a real team, where the players all play for each other instead of just for themselves.
